depending upon the program set up by the Court for their probation. In other words, it would depend upon the individual. If the individual were an indigent, obviously they couldn't do this but if the person had a good job and it would not impose upon the family an additional burden, this sort of thing. There is flexibility here. There is now.

SENATOR CAVANAUGH: But if he is a felon and he is an indigent, is the burden going to fall upon the county or the state?

SENATOR LUEDTKE: Of course, if he is a felon, it depends on where he is serving his time. If he is in work release, he still has to compensate...then he has to compensate the state because he is the charge of the state.

SENATOR CAVANAUGH: OK.

SPEAKER: Shall LB 289 be advanced to E & R initial. I am sorry, we are adopting the amendments. I am sorry. Will the Clerk read the amendment? Shall the amendments to LB 289 be adopted.

CLERK: 33 ayes, Mr. President, on motion to adopt.

SPEAKER: The amendments have been adopted. What will we do with the bill, Senator Luedtke.

SPEAKER: The bill has been advanced.

CLERK: LB 291. Read title. There are no Committee amendments.

SPEAKER: The chair recognizes Senator Luedtke.

SENATOR LUEDTKE: Mr. President, these bills that deal with juvenile justice matters, I am going to yield to Senator Barnett who is the subcommittee chairman who is in charge of these bills and I would yield to Senator Barnett on these.

SPEAKER: The chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. Chairman, I would move for the advancement of LB 291 to E & R and explain that this is one of many bills.
